

INTENSIVE BEHAVIOURAL INTERVENTION: TREATMENT TEAM

CONSULTANT (AP)

- Experienced psychologist meets you twice yearly
- Dr John McEachin (USA)
- Karen McKinnon (Aust)

FAMILY

Involvement of the family is critical in the treatment process. As our agency name suggests, we like to work in "partnership" with our families.

Parents spend a great deal of time with their child and are in a position to carry over teaching goals into everyday life.

Parents:

- Implement strategies provided by AP
- Provide information to the team about their child's current skills and deficit areas
- Generalise the skills learned in therapy sessions to other more natural situations
- Attend and are actively involved in team meetings

PROGRAM SUPERVISOR (AP)

- Coordinates all aspects of the treatment program
- Meets with your team 6-12 hours/month
- Is your main point of contact for the intervention program
- Brings a great depth of experience to your child's education

ADMINISTRATION (AP)

- Organises billing/invoices
- Assists you with funding & rebate information
- Provides immediate contact by phone/in person 5 days a week

THERAPISTS

- Staff employed directly by you
- Provide 1:1 intervention for many hours each week
- Implement programs designed by AP Program Supervisor and Consultant
